01 THE HOOK

“You don't need a gym to work your core. You need ten minutes and a wall.”

ALTERNATE HOOKS · SAME VIDEO, TEST THE FIRST 3 SECONDS

“Give me ten minutes and I'll give you a workout you can do anywhere.”
“Busy week? This is the workout I'd do if I only had ten minutes.”
“Four moves, ten minutes, zero equipment.”

02 CORE MESSAGE

Here's the order: knees to the wall, push-ups, sit-ups with crunches, and a plank to finish.

Three to five rounds. If you're just starting, one round is enough. Do it right before you do it fast.

But this workout is only one piece. Real results show up when your training, your nutrition and how much you move during the day all line up.

I'm Sam, owner of Iron Bird Fitness, and that's exactly what I build with my clients here in Fresno: a plan around your schedule, one-on-one.
