01 THE HOOK

“This is a 10-minute workout that's going to work this whole area. Get your whole body stronger.”

ALTERNATE HOOKS · SAME VIDEO, TEST THE FIRST 3 SECONDS

“As you can see, I didn't use any weights. So please do not say, ‘Oh, I wasn't able to go to the gym.’”
“The gym is wherever you're at.”
“Basics for the beginner, and you can step it up as much as you want.”

02 CORE MESSAGE

First, definitely do your cardio, also do your nutrition, and then get as many reps in that work on the midsection.

Knees to wall. Push-ups. Sit-ups and crunches. And a core finisher to close it out.

Three to five rounds. You're a beginner? Start with one set.

As you can see, I didn't use any weights. So please do not say, ‘Oh, I wasn't able to go to the gym.’ The gym is wherever you're at.
