SMALL HABITS. BIG RESULTS.

Thank you for taking the time to talk with me. If you're reading this, you've probably already tried the diets, the apps and the "start again on Monday" plans — and you know the problem was never a lack of information. It's that none of it was built around **your** life.

My coaching is different. I work with busy adults who want to lose weight and feel confident again — without cutting out the foods they love, without living in the gym, and without the guilt. We build it step by step, around your schedule, your family and your favorite meals, and I'm with you every week to adjust and keep you on track.

Below you'll find three ways to work with me. Each one is 100% online and 1:1. Pick the one that fits where you are right now — and let's get to work.

NUTRITION COACH · NATEVELAZQUEZ.COM

01

NUTRITION

A flexible plan built on the food you already eat. Clear targets, easy swaps, and room for dinners out, weekends and the occasional dessert.

02

MOVEMENT

Simple, realistic activity that fits your week — from daily steps to short workouts — to burn fat and protect your muscle.

03

MINDSET

Break the all-or-nothing cycle, handle cravings and stress eating, and stop relying on motivation to stay consistent.

04

BALANCE

Sleep, stress, travel and social life handled with a plan — so results last long after our coaching ends.

THIS IS NOT

- × A cookie-cutter meal plan
- × Cutting carbs or "bad" foods
- × Two hours a day in the gym
- × Doing it alone after week 3

THIS IS

- ✓ A plan built around your real life
- ✓ Eating foods you actually enjoy
- ✓ Habits you can keep for years
- ✓ A coach in your corner every week

FROM DAY ONE TO LASTING RESULTS

Every plan is 100% online. All you need is your phone — you'll get your plan, track your habits and talk to me through the coaching app and direct messaging.

01

DAYS 1-3

ONBOARDING & KICKOFF CALL

You complete a short intake (goals, schedule, food preferences, history). Then we meet 1:1 on video to set your targets and the first habits to focus on.

02

WEEK 1

YOUR CUSTOM PLAN

You receive your personalized nutrition plan, habit roadmap and movement plan inside the app — built around the foods and routine you already have.

03

EVERY WEEK

CHECK-INS & ADJUSTMENTS

You send your weekly check-in (weight, measurements, photos, how the week felt). I review it personally and adjust your plan so you keep progressing — no plateaus, no guessing.

04

ANY DAY

DIRECT SUPPORT

Questions at the restaurant, a rough weekend, a craving at 10pm — message me. You're never figuring it out on your own.

05

FINAL WEEKS

MAINTENANCE PLAN

We build your plan for life after coaching: how to maintain your results, keep eating freely and never start from zero again.

ZERO RISK

YOU DO YOUR PART. I'LL MAKE SURE IT WORKS.

On the Transformation and Elite VIP plans: if you follow the plan — complete your weekly check-ins and hit at least 85% of your habit targets — and you don't see measurable results by the end of your program, I'll keep coaching you **at no extra cost** until you do.

Do I have to give up the foods I love?

No. Your plan is built around foods you already enjoy. We use portions and simple swaps, not restriction.

Is it all online?

Yes. Calls happen on video, and your plan, tracking and messages live in the coaching app — from anywhere in the world.

What happens after the program?

You leave with a maintenance plan. Many clients continue with monthly coaching to keep progressing.

I'm really busy. Will this fit?

It was designed for busy adults. Check-ins take about 10 minutes a week and the plan fits your schedule, not the other way around.

Do I need a gym?

No. Movement plans can be done at home, outdoors or at the gym, based on what you have.

Can I switch plans later?

Yes. You can upgrade at any time and only pay the difference.
